CALTRANS Press Release UPDATE ON HIGHWAY CONSTRUCTION PROJECT

- ❖ **WHAT:** Traffic Control
- ❖ **WHEN:** October 13 through October 17
- ❖ **WHERE:** In Mono County on U.S. Highway 395 near Conway Summit

Pacific Restoration Group of Corona, California will be removing K-rail and traffic control devices near Conway Summit on U.S. Highway 395. It is anticipated that the northbound number 1 and 2 lanes will be closed from ½ mile south to ¼ mile south of Virginia Lakes Road. One lane in each direction will remain open and no delays to traffic are expected.

When approaching the construction zone the traveling public is advised reduce their speed, observe the construction signs, and watch for construction personnel and equipment.
